AMENDMENT NO. 1.

Resolved by the General Assembly of the State of Ohio, Three-fifths of the members elected to each house concurring therein, That it be and hereby is proposed to the Electors of this State to vote on the second Tuesday of October next, upon the approval or rejection of the following amendments to the Constitution of the State of Ohio, to wit: That the General Assembly shall be composed of one Senator and two Representatives for each county, and that the Senators shall be elected biennially, and the Representatives annually, by the electors of their respective counties or districts on the second Tuesday of October. The terms of office shall commence on the first day of January next after their election, and that of Senators shall continue two years, and that of Representatives one year. The Senators elected in October next shall hold their offices for two years, and the Representatives elected at the same time shall hold their offices for one year. Provided, that seven of the Senators elected on the second Tuesday of October, 1857, to be ascertained by lot as the President of the Senate may direct, shall hold their offices for only one year, and their successors shall be elected on the second Tuesday of October, one thousand eight hundred and fifty-eight, and biennially thereafter. When any county shall have a fraction above the ratio for Representatives so large that being multiplied by ten, the result shall be equal to one or more ratios, additional Representatives shall be apportioned for such ratio among the several counties of the decennial period in the following manner: If there be only one ratio then a Representative shall be allotted to the tenth section of the decennial period. If there be two ratios then Representatives shall be allotted to the ninth and tenth sections. If three, to the eighth, ninth and tenth sections; if four, to the seventh, eighth, ninth and tenth; if five, to the sixth, seventh, eighth, ninth and tenth; if six, to the fifth, sixth, seventh, eighth, ninth and tenth; if seven, to the fourth, fifth, sixth, seventh, eighth, ninth and tenth; if eight, to the third, fourth, fifth, sixth, seventh, eighth, ninth and tenth; if nine, to the second, third, fourth, fifth, sixth, seventh, eighth, ninth and tenth; if ten, to the first, second, third, fourth, fifth, sixth, seventh, eighth, ninth and tenth sections of the decennial period respectively.

In determining the number of Senators to which any senatorial district may be entitled in any decennial period, by reason of any change of senatorial ratio, the following proposed Constitutional amendments are correctly to be multiplied by five, and if the result be equal to one senatorial ratio, an additional Senator shall be allotted to said district for the ninth and tenth sessions. If it be equal to two or more ratios an additional Senator shall be allotted to such district. If three, then to the fifth, sixth, seventh, eighth, ninth and tenth.

If four, to the third, fourth, fifth, sixth, seventh, eighth, ninth and tenth sessions respectively. If this amendment be adopted by the electors, the counties now entitled to more than one member in either of both branches of the Legislature in the fourth and fifth sessions of the present decennial period, shall have a like number of members in each branch thereof for each session of the remainder of the present decennial period.
